

Member-Guest Mixer 2023

GENERAL MANAGER'S CORNER

As the calendar moves forward and the weather hopefully improves, we enter an extremely busy yet exciting time of the year. Please check out all of the upcoming events and continue attending your favorites but give something new a try as well.

I know I mentioned hydration recently, however, we are not out of the woods yet. We need to continue to pay attention when our body is out of sorts and be willing to assess if we should play more or save it for another day. Also, thank you to all that participated in the member guest mixer you made great impressions. The feedback has been very positive and membership inquiries as a result are appreciated.

See you soon,
Jeff

A MESSAGE FROM TENNIS DIRECTOR

Is this what they meant by the dog days of summer? As we head into September and hopefully some cooler weather, make sure and check the calendar for all the upcoming events. There is something for everyone! We have the Bocage Junior program and adult USTA league getting started. the 2nd Annual Mercy tennis and pickleball classic and a member favorite, the purple and gold mixer. Be sure to check out our clinic offerings and on October 18th I will be teaching a complimentary forehand clinic!

Happy September!
